A special congratulations to the Co-Captains Georgia Iannone and Kyle Hodge and Faculty Advisor Randy Linton for their leadership of this impressive team as well as to all of the faculty and business community coaches for contributing to the team's success.

Thank you to the JDC West Organizing Committee led by Cari-Lynn Schoettler and Mason Gardiner and their team of volunteers who planned and facilitated a top notch event over the weekend! They and their team, the majority of which is made up of Hill alumni, prove that the success of our students continues well after they earn their degree.

Our Hill ICBC teams also sent four teams to the Final round of the ICBC Competition in Kingston this past weekend in the Accounting, Finance, Marketing and Debate disciplines. Only the top 5-6 teams in each area advance and are invited to compete in this international case competition, and it is a huge accomplishment to have made it to the final round.

Congratulations to our ICBC teams as well as their Faculty Advisor Paul Sinclair and coaches Nola Joorisity, Youngsoo Kim, Tatiana Levit and Lisa Watson for representing the Hill School and University of Regina well.

Our students continue to make us so proud and this weekend is no exception - congratulations to everyone who competed and once again, congratulations to the Hill JDC West team for continuing our legacy of success, bringing home 1st place for School of the Year!

New Paper
Research Bulletin & Strategic Plan Survey
The Faculty has again prepared a survey which will capture details about research activity to use for the 2019 Research Bulletin. The survey will ask a number of additional questions which are important for our strategic plan reporting and our accreditation pursuit, covering the topics of experiential learning, Indigenization, internationalization and community impact. The goal of including both the research and strategic plan/accreditation questions in one survey is to streamline our data gathering to have faculty members only report once/year.
The survey will take roughly 15-20 minutes. We recommend that you carve out time to sit down to answer the full survey in one sitting as we cannot guarantee what will happen if you quit and go back (you may have to go through it twice).
The survey can be accessed here: https://uregina.eu.qualtrics.com/jfe/form/SV_a3KgfE3uAtLAGB7
Please complete the survey by Wednesday, January 22.
