(ADVANCE FOR RELEASE AT 2:15 P.M., CST, FRIDAY, MAY 17)

(ADVANCE)....REGINA, MAY 17 - Three graduate students at the University of Saskatchewan in Regina were the recipients of the first Canada Council Predoctoral Fellowships awarded at the Regina Campus. Winners of the awards, granted to promote advance research in the social sciences and humanities, are John Frederick Conway, in psychology; Donald William Kirk, in social science; and Christopher Kay Knapper, an instructor at Regina Campus, in psychology.

The Goodfellow Scholarship of \$1000, for a student undertaking post-graduate studies in the College of Engineering, Medicine or related sciences, was granted to Udo Anthony Spitzer, of Regina. Mr. Spitzer will continue his research in chemistry.

Graduate scholarships also went to David Leslie Beattie, of Moose Jaw, in economics; Gerard Jack Jennissen, of Evesham, in communications; and Anthony Wayne Selinger, of Regina, in history.

National Research Council Bursaries were awarded to two U of S Regina Campus students. They are Alan Edward Emery, in chemistry, and William John Heaney, in physics.
