International Education Week Nov. 15-19

The week of November 15 to 19, 2010 is International Education Week. We encourage you to build some international material into your course for that week! Many textbooks include a 'global' or 'international' sidebar in each chapter. Try encouraging students to find newspaper, magazine, or web articles that highlight international issues relevant to your course, or ask them to think about how the course material would work in an international context.

International Photo Contest

The Faculty will be holding an International Photo Contest to celebrate International Education Week.

Students, faculty, and staff are encouraged to submit photos representing their experiences in study-abroad, exchange, or other international programs. These will be put on display to create a scrapbook of international experience.

Special thanks goes out to the UR International Office for sponsoring prizes for the contest!

Submit photos, along with a sentence or two describing the pictures, to the Faculty of Business Administration front counter or email to **Wendy Tebb**. The deadline is **November 10** and the limit is 3 photos per person. Faculty members are encouraged to tell their students about the contest!
