A Teaching Workshop is scheduled for this week:

Date: Friday, January 28, 2011

Time: 10:00 – 11:00 a.m.

Place: ED 558

The Teaching Workshop will be a webinar that explores how simulations are used and how to determine whether they would be an effective tool in your classroom. Simulations are not for every class--but where they are used, they enhance learning by providing experience with the concepts covered in the class. The Teaching Workshop will cover the basics of what simulations are, how they're used and how to use them most effectively in your class. The webinar will feature Tim Sams, the Manager of Business Development for Interpretive Simulations, Inc. (www.interpretive.com), and will allow plenty of time for questions and discussion.

Meet with the Dean

During the months of January & February, faculty members are encouraged to set up meetings with Dean **Anne Lavack**. She would like to hear from faculty members about both big and small things we can do to improve our Faculty, and also discuss any concerns that faculty members may have. Faculty members should contact **Kelly-Ann McLeod** to set up an appointment, and let her know whether you'd like 30 minutes or 60 minutes.

Hill Business Showcase – February 10

Please mark your calendar to attend the 5th Annual Hill Business Showcase:

Date: Thursday, February 10

Time: 4:30 – 8:00 p.m. (speeches at 5:15 p.m.)

Place: Terrace Building, 10 Research Drive

Tickets are \$30 for Faculty and Sessional Lecturers, and tickets can be charged to APEA accounts. Tickets may be purchased from **Kelly-Ann McLeod** in the Dean's office.

We are hoping for a good turn-out from Faculty members, as this is a very important annual event for our business students. Many members of the business community will be in attendance, wanting to meet both students and professors. Please encourage students to attend, since student tickets are only \$5.

Also, please remember to tell your students about the free **Networking Workshop** being led by **Chris Street** and **Bruce Anderson** from 4:00 – 5:30 p.m. on Tuesday, February 8 in ED-619.

CMA Lunch - Where were the students?

On Wednesday, January 19, CMA Saskatchewan sponsored a luncheon at the University Club, intended for students interested in the CMA designation to meet potential employers and find out more about the CMA designation. However, of 18 students who registered to attend this luncheon, only 3 showed up! CMA Saskatchewan was disappointed at this result, since the primary purpose of the luncheon was to benefit students. However, CMA Saskatchewan offers its sincere thanks to the many faculty members who attended this event. Faculty members are encouraged to talk to **David Senkow** about ways that attendance at this annual luncheon can be improved in the future.

Research Bulletin / Community Connections

To prepare the 2010 Research Bulletin and the updated version of the Community Connections brochure, faculty members should provide the following information to **Kelly-Ann McLeod** or **David Senkow**:

For 2010 Research Bulletin:

- List of publications published in 2010 or forthcoming in 2011 onward
- List of conference presentations in 2010
- List of book chapters in 2010
- List of research grants in 2010
- List of editorial board appointments during 2010

For Community Connections brochure:

- List of board appointments
 - including non-profit, professional, and corporate boards

Please provide this information by **January 24**, so that we can have these two brochures sent to printing January 28, so they will be ready in time for the Hill Business Showcase event in February. Thanks!
