## Aboriginal Education

One of the main programs of the Martin Aboriginal Education Initiative is called the *Aboriginal Youth Entrepreneurship Project* and its goal is to encourage Aboriginal youth to stay in school by providing these students with entrepreneurial experience. Students from Scott Collegiate in Regina are participating in the initiative and their teacher, Ms. Jori Cachene, will bring them to our Faculty on Tuesday, April 5 to observe **Bob Kayseas's** BUS 302 (Small Business Management) class from 1:00 - 2:15 p.m., as members of the class present their feasibility studies.

The group of Scott Collegiate students is also meeting with members of **SIFE** (Students in Free Enterprise) over lunch, to hear about the exciting things that SIFE is doing and to discuss a relationship between these groups. In addition, **Lindsay Eastman** will provide information to the Scott Collegiate students about our Faculty's programs and the possibilities related to business studies at the University of Regina.

## Directors College

Congratulations to **Glenys Sylvestre** and **Anne Lavack**, who will both receive the Chartered Director (C.Dir.) designation at a Convocation ceremony in Toronto on Tuesday, April 5, 2011. As members of the SaskTel and SGI boards respectively, Glenys Sylvestre and Anne Lavack participated in the Directors College, an accredited corporate director development program offered by McMaster University and the Conference Board of Canada. The program consisted of approximately 90 hours of in-class instruction, followed by 80+ hours of individual study for a 4-hour exam. Crown Investments Corporation (CIC) covered the cost of the program for all crown corporation board members (the usual program cost is \$20,000+ per person).
