## Still a chance to make a BIG difference – and win BIG!

This is the closing week of the U of R's United Way employee campaign. Many of you have already returned your pledge forms – thank you so much. The United Way strives to fund agencies that deliver services across a continuum of care in our community. In Regina, 33 agencies receive funding through the United Way's Circle of Care. These agencies provide a balance of programs and services to children, youth, and families. They work to ensure that individuals and families have the opportunity to live and grow in a supportive community that provides both opportunities and services to ensure a healthy future for everyone in Regina.

The Faculty of Business Administration has always demonstrated leadership in our charitable giving. We would like to set a high standard of participation again this year. Pledge forms can be returned to **Devon Anderson** or dropped off at Financial Services. Devon can get additional forms if you need one. A minimum of \$20 donation makes you eligible for some very nice prizes donated for the final draw this week. ANY donation is greatly appreciated. ALL amounts are significant in helping the United Way deliver these crucial programs. Thank you for your participation!
