Special Committee Election

On Thursday, May 23 at 4:12 p.m. all Faculty members should have received an email from the University Secretariat with a subject of "Council Election – Special Committee of Council". The email includes a survey and personal password that allows you to vote in an online election for the Special Committee of Council. **It is extremely important that you vote for this committee**, as it will have a significant impact on the direction of the Council and University.

If you have not voted, and the email is no longer in your inbox you can search your "Trash" using the above mentioned subject line.

If you have not voted, and are unable to find the email in your inbox or your trash a reminder will be sent on May 30 at 9:00 a.m. Watch for this reminder as it will provide the necessary details allowing you to vote.

You are able to vote for up to five representatives (but can vote for less if you so choose). Deadline for voting is Monday, June 3 at 4:00 p.m.

BSS Fun Fact Friday

Next year the BSS will be doing Fun Fact Fridays for part of their facebook/twitter image. They will be posting a fun fact about one of their council members each Friday. They would also LOVE if faculty and staff got involved too! If you would like to share a fun fact click on the following link and complete the form with your information.

We appreciate the strong contingent of our faculty members who attend convocation and make this special event even more memorable and meaningful for our students and their families.

Website Updates

Despite the best efforts of the staff responsible for various postings on the website, occasionally errors are posted. If you see a typo, grammatical or content error, please inform **Devon Anderson**.

Congratulations to **Andrew Stevens** and his wife Jen on the birth of their son. Liam Richard Stevens was born on Monday, May 20 at 7:42 p.m. and is 6 pounds, 12 ounces. Jen and Liam are both doing well.

Research Bulletin Board

We are working on updating our Faculty Research bulletin board (located outside of ED 527). Please send the first page of your articles, books or government reports from 2012 and 2013 to **Kelly-Ann McLeod** by June 3 so they can be included.

Campbell Business Celebration Night

The Campbell Collegiate Business Program will be hosting the 2nd Annual Business Celebration Night on Wednesday, June 12 at 7:00 p.m. in Campbell's Currie Auditorium. Business representatives from across Regina are invited to join in an evening of networking, honouring alumni, celebrating a year's worth of student achievement, and recognizing those who have given outstanding contributions to the business program. The night will start at 7:00 p.m. with a networking session followed by a short program. **Bruce Anderson** will be receiving a Distinguished Business Alumni award at the event. To attend please RSVP to Jordan.mcfarlen@rbe.sk.ca or Carissa.holinaty@rbe.sk.ca by Friday, May 31st.

Student Competition Update

Team *Beta Tau* consisting of Hill students, **Tim Philip** and **Kira Novak** and Arts student, **Barton Soroka** competed in the final round of the "Manulife: Entry into Asia Challenge" at the University of Toronto on May 22. The top six teams presented their business plan to an elite panel of international judges. While team *Beta Tau* did not place in the top 3, we are very proud they made it to the final round of the challenge and were able to represent the Hill school so well.

Case Competition Participation

In January 2014 our Faculty will be hosting JDC West. This is a huge undertaking and great opportunity to showcase our excellent students, staff, and faculty. As host of the event we are faced with the need for faculty to participate as coaches, as well as additional faculty to assist in developing cases for the ten different competition streams. Of course there must not be any faculty participant involved or associated with both coaching and case development.

All faculty are encouraged to consider participating in JDC West 2014. Please email **Andrew Gaudes** and **Kelly-Ann McLeod** outlining your preference to participate as a coach or case developer by noon on May 28. We will also require faculty members to act as coaches for our ICBC team so let us know if you plan to participate in that as well.

List of Conference Presentations

Summer issues of this newsletter will feature a list of conference presentations. If you have given a conference presentation since January, please send the citation details to **Kelly-Ann McLeod** so that we can recognize your research in the newsletter.
