For those faculty members who would like to contribute, please use the following link to indicate your name and what you will bring: <http://goo.gl/oXV9FO>. ICBC & JDC West Student Recruitment

Case competition recruitment for the ICBC and JDC West is now underway! Our teams are only as strong as our applicant pools and one of our most successful forms of recruitment is personal encouragement from faculty.

Please personally encourage 5-7 of your best students to apply.

ICBC: Students should have solid grades (75%+) and be conscientious, highly motivated, and good writers, but may be more introverted than students who participate in JDC West. Please send your recommendations to **Sean Tucker**.

JDC West: Please encourage strong upper year students, who are quick analytic thinkers and work well in high energy environments to apply. Don't assume! Many students in 4th year classes are either in 3rd year or remain for a 5th year. Don't delay! The JDC West application is available online at <http://tinyurl.com/HillJDCW-TeamApp>. The deadline is April 11.

New! "Shadow Teams": Students who are early in their programs can now apply to take BUS 435 AQ without being on the JDC West team as a way to gain advantage when applying to future teams. Students can either complete the JDC West application form or email **Lisa Watson** directly to learn how to apply. Please promote this new opportunity in BUS 100 and 2nd year classes! Note that students who have taken 45 credit hours or less must have a suitably strong academic record to be considered.

APEA & Expense Claims

April 30, 2014 is the University's 2013-2014 fiscal year-end. It is important that you claim your 2013-2014 Accountable Professional Expense Account (APEA) and other expenses by April 30. Please submit reimbursement claim forms and supporting receipts to **Janeen Brown**.

Generally, expenses must be claimed within the fiscal year in which goods or services are received. If your receipts are dated within the 2013-2014 fiscal year, claims must be made by April 30.

The academic collective agreement permits the carry-over of unspent APEA funds to the next fiscal year. The total available for spending within your account cannot exceed three years worth of APEA allocation. The annual APEA allocation is currently \$1,500 for faculty members; this means you can't have an available APEA fund in excess of \$4,500 (\$1,500 x 3) once your carry-forward has been brought forward.

For more information on year-end procedures, APEA regulations, or reimbursement claim forms please go to

<http://www.uregina.ca/fs/employees/index.html> and find the relevant button on the left-hand side.
