Welcome!

Welcome to our new lab instructor co-op student, **Wenxuan (Michael) Liu**. Michael is going into his 4th year in Business Administration, majoring in Accounting. He heard about the co-op program from his academic advisor. This is his first work term, and he will be with us until the end of the fall semester. He is enjoying it because it gives him the opportunity to work with different professors and staff. Michael says it also helps him to improve his communication and organizational skills, and he is able to consolidate his accounting knowledge when he discusses assignments with students. In his spare time Michael is interested in watching movies, reading, and going hiking. Michael will be working in ED 523 and can be reached at 337-2376.
