There were approximately 80 applicants with a combined average of 76%, ranging from 1st to 5th year students. The final team has a combined average of 78.5% and is comprised primarily of senior students. It was encouraging to see quite a number of 1st year students apply to the team and Faculty Advisor **Lisa Watson** is hoping to establish at least one shadow team from within the 1st and 2nd year applicant pool. She also hopes to finalize team faculty coaches shortly. If you have any questions about team selection, please contact Lisa Watson.
