## Faculty Strategic Plan

The first print copies of our new strategic plan – Expanding Horizons – has been delivered to faculty and staff mail boxes, and is also available online: <https://www.uregina.ca/business/about-us/strategic-plan.html>.

As you are aware, this is the Faculty of Business Administration's first approved strategic plan, covering the period 2016 to 2021. Please take the time to both read through the plan, and share it with others who might find what we are doing to be of interest.

Our next steps now that the plan has been approved, will be to start execution of the plan. This will include seeking individuals within the FBA to take on responsibility for specific components of the plan, fleshing out more specific actions for some of the strategic objectives and development of a dashboard to monitor and report on our progress.

If there are specific areas of execution of the plan that you would like to be involved in please speak to **Larry Hiles**.
