## Travel Authorizations

Remember that prior to travelling outside the city on any University-related business both faculty and staff should complete and submit a Travel Authorization form. This should be done whether you're going by car, plane, or other means, and even if you're a passenger in someone else's vehicle.

The form is required for a couple of purposes, one of which is insurance. In the unlikely case that something happens which results in an insurance claim, the Travel Authorization request makes the process of claiming easier, whether it is for theft, accident or other.

The form can be found on the Faculty of Business Administration homepage, in the "For Faculty and Staff" section.

## Meet the Leaders Council member...

Leaders Council (LC) is a network of business and community leaders who commit to the continued advancement of the Hill and Levene Schools of Business.

This week's featured LC member is **Karen Birss**. Karen is District Vice President at Scotiabank.

- What do you do? *Inspire and engage the branch network in Southern Saskatchewan (with approximately 250 employees) to deliver best in class customer experiences and create a culture in which high performers can thrive!*
- Why would someone want your job? *You can directly influence and impact countless careers and ensure that customers' lives are made better off when they choose to work with our teams. You have the autonomy to make decisions and to become a leader in the communities that we work and live in within Southern Saskatchewan.*
- What is your best advice for students? *Never worry about "what you want to be when you grow up". Experiment with different career choices with an open mind and try not to pigeon-hole yourself into a career too early. If you try your best in each role you're in, new doors will be open to you with new choices that you didn't even know existed when you took on the job.*
- In what way would you be interested in participating in the Hill or Levene School? *Open to anything, time permitting*
