New Levene Space Renovations

The Levene Graduate School will be moving their offices to the sixth floor of the Education Building, where the Faculty of Nursing formerly had their office space. The space is currently under renovations in preparation for the move. Work will begin the week of February 24, and continue through to the end of April. Although the contractor and Facilities Management will try to work around mid-terms, etc., and to minimize the disruption to classes as much as possible, it may be noisy at times.

If you have not already done so, please provide date/time details for your midterm exams to **Jodi Spies**.

We will also be contacting those of you who are teaching on that floor regarding final exam locations for this semester.

Globe & Mail Subscription

The Faculty has a Globe & Mail Subscription. You can read the paper copy which is in the Dean's Office daily. The subscription can also be accessed online on the following website:
