There were approximately 75 applicants, ranging from 1st to 5th year students. The final team has a combined grade point average of 80% and is comprised primarily of new students; over 70% of our academic team this year is new to the program, which is something we are very excited about. It is refreshing to see so many new faces to the program and see new students already embracing what is "JDC West".

Faculty members are invited to participate as faculty coach volunteers for the Hill School's JDC West 2018 team! All of the academic teams including Accounting, Business Strategy, Business Technology Management (BTM), Debate, Entrepreneurship, Finance, Human Resources, International Business, Marketing, Not-for-Profit, and Taxation could use your guidance. Faculty coaches will attend presentations (if possible) and be a professional resource for the teams to use throughout the course. Contact **Randy Linton** to see how your skills could be used.

We are also excited to share that we had twelve members compete in the Casino Regina Charity Championships on August 11th. The teams ran through an obstacle course to raise money for Hope's Home, each taking home \$250 and winning the Spirit Award which earned them \$500 for Hope's Home! In addition to this, they also raised over \$3,000 leading up to the event.

Lastly, we will be hosting our annual Chillin' for Charity event on Scarth Street Mall on Wednesday, October 4th from 11:30 a.m. – 1:00 p.m. We invite all faculty and members from the community to come out and support the team!

If you have any questions about the team or team selection, feel free to contact Rachel and Nicole at [hilljdwest@gmail.com](mailto:hilljdwest@gmail.com) or Randy Linton at [randy.linton@uregina.ca](mailto:randy.linton@uregina.ca).

The message will be broadcast on computers, beacons, TV's, and via some building speaker systems across the U of R.

### Emergencies

The University of Regina, like any other large organization, is potentially subject to natural, technological, and man-made emergencies. Refer to the Emergency Preparedness Guide throughout the University for detailed information on specific emergencies.
